POT & PAN

UC03

PRODUCT INFORMATION

- LOW COST-IN-USE
- CONCENTRATED FORMULA
- MULTI-PURPOSE
- FOR COMMERCIAL USE
- SMALL, CONVENIENT PACK SIZE

Ultra Concentrate

Manual dishwash designed to be used sparingly to kitchen sink and other manual cleaning. Ideal for glasses, utensils, crockery, pots & pans. For best performance use through a Multi-Dose wall mounted unit is recommended. Septic tank safe when used as directed.

DIRECTIONS

For general manual dishwash applications dilute at a ratio of 1ml per 5litres to 5ml per 10 litres of warm to hot water, more or less depending on soiling levels and speed of clean desired. Wash items then stand-dry. Critical food-service applications may require an additional sanitising step and/or rinsing prior to re-use.

MPI APPROVAL

MPI APPROVED C31 (All animal product except dairy)

Before use, all edible product and packaging material must be removed from the room. After using this compound, food surfaces must be thoroughly rinsed with potable water before production starts.
