

MULTIPOL

FURNITURE POLISH

DESCRIPTION

MULTIPOL cleans and shines wood, veneer, vinyl and most household surfaces. It removes dust, fingerprints and smudges without smearing. Contains antistatic dust repellent which helps reduce dust build-up between applications.

The low residual formulation does not cause a waxy build up with repeat use. The quick drying streak-free formula allows quick application and buffing which saves cleaners time and money.

APPLICATIONS:

- Commercial Cleaners
- Domestic Cleaners
- Resthomes
- Hotel & Motels

PROPERTIES:

Appearance: White emulsion
Fragrance: Floral
Specific gravity: 0.99
pH: 5 to 7 (100%)

FEATURES

- Antistatic dust repellent
- Quick drying
- Cleans & shines
- Floral fragrance

BENEFITS

- Helps reduce dust build up
- Leaves surfaces high gloss finish
- Removes fingerprints & smudges
- Leaves a nice soft aroma

DIRECTIONS:

Shake container well before use. Apply sparingly using a spray nozzle. Polish with a soft cloth before spray dries. Repeat as required. Not suitable for unsealed wood surfaces.

SUSTAINABILITY POLICY:

We are committed to continuous improvement in our environmental performance, and have established a number of goals and initiatives that we continue to implement to achieve this objective. Where possible we always use biodegradable raw materials and our finished product packaging is reusable or recyclable.

- Finished product packaging is reusable or recyclable using HDPE Type 2 packaging.
- Finished product 200 litre plastic drums are sourced from a recycling program.
- Raw material steel drums are recycled.
- Labelling uses semi-permanent adhesives for easy removal.

This is only a start, we will continually strive to better our environmental performance.
