Stainless Steel Cleaner & Polish

Safe and economical cleaner and polish for stainless steel surfaces, refrigerators, dishwashers and stove tops. Removes stubborn stains, fingerprints and other marks, leaving behind a shiny lustre. Protects stainless steel surfaces and helps to reduce dust build-up.

DIRECTIONS

Shake container well before use. Apply sparingly using a spray nozzle, or pour directly onto a clean, dry rag, then apply to stainless steel surfaces. Polish with a soft cloth. Repeat as required. Always test on an inconspicuous spot prior to use to ensure compatibility.

When there is heavy soiling and grease present on the surface, use a detergent to clean and remove most of it first, then apply the Stainless Cleaner & Polish as instructed above.
