CONCENTRATED FORMULA | BREWERY APPROVED | GREASE CUTTING POWER | AN INDUSTRY FAVOURITE

Automatic Dish & Glass Washing Liquid

Commercial high-strength liquid detergent formulated for use in automatic commercial dish and glasswash machines. Suitable for use with all common ware materials such as crockery, china, glass, stainless steel, plastics and kitchen utensils.
Not recommended for aluminium or other soft metal-constructed kitchen items.
Septic tank safe, when used as directed.

Suitable for dishwashing or glass washing applications with or without the use of a rinse aid.
This formulation has approvals from both New Zealand Breweries Ltd and Lion Breweries Ltd.

APPLICATION

COMMERCIAL KITCHENS: Automatic dishwashers and glasswashers

DIRECTIONS

Dose via an automatic peristaltic pump at 1-2ml per litre of wash water.
Not recommended for manual dosing, unless in contingency commercial situations.
For best results, use in conjunction with Kemsol Rinse Aid.

PASSED ASUREQUALITY ASSESSMENT

"Passed AsureQuality assessment for food/ beverage/ dairy factory for automatic dishwashing with residues drained & minimised e.g. safe rinsed & dried" H4440 with conditions.
