

FS12**Kemsol****RED JET****PRODUCT INFORMATION**

Powder Dishwash

Highly concentrated alkaline powder detergent designed to be used in wall mounted automatic powder dispensers. Provides excellent cleaning results at a competitive price compared to liquid systems. Removes all soiling and rinses freely.

DIRECTIONS

Should be installed in a powder bowl unit by an authorised Kemsol Representative. May also be used as a heavy duty CIP cleaner or for manual cleaning applications.

MPI APPROVAL

MPI APPROVED C31 (All animal product except dairy)

Before use, all edible product and packaging material must be removed from the room. After using this compound, food surfaces must be thoroughly rinsed with potable water before production starts.
