

TC13**Kemsol****STAIN-SOLV****PRODUCT INFORMATION**

Solvent Laundry Spotter Treatment

Ready-to-use spray laundry pre-wash stain remover. Suitable for removing carbon, grease, oil, lipstick, shoe polish and other petroleum-based soiling. Designed for use in conjunction with the Kemsol laundry system.

DIRECTIONS

Spray directly onto stain. Amount dispersed should be in relation to the extent of the stain. Use more for heavier stains or marks. Leave for 5-10 minutes. Wash or re-wash as usual. Results may vary due to the wide nature of stains and often unknown sources, and the wide variety of garment types available.

We encourage trialling to ensure suitability and compatibility. If treated fabric directly or indirectly comes in contact with edible product, a thorough rinse with potable water must follow the laundering process.

MPI APPROVAL

MPI APPROVED C33 (All animal product except dairy)

If treated fabric directly or indirectly comes in contact with edible product, a thorough rinse with potable water must follow the laundering process.

READY-TO-USE**WATER-BASED SOLVENT****EFFECTIVE OIL-BASED STAIN REMOVER****HIGH STRENGTH FORMULA****NO DILUTION REQUIRED**

LAUNDRY Pre-wash, post-wash, petroleum-based soiling removal
