BOWL PATROL

PRODUCT INFORMATION

- THICKENED FORMULA
- EXTENDED CONTACT TIME
- DISINFECTS & DEODORISES
- BIODEGRADABLE
- KILLS BACTERIA
- CONTROLS ODOUR & STAINS
- SEPTIC TANK SAFE

Disinfects and Deodorises Toilet Bowls

Cleaner and combined disinfectant designed specifically for toilet bowl applications. Excellent for cleaning urinals and stainless steel surfaces too. Formula viscosity specifically designed for bowl-cling to minimise scrubbing. Septic tank safe, when used as directed.

DIRECTIONS

Flush toilet, then squirt a liberal amount around the top of the bowl, beginning up under the rim to allow the product to cover all surfaces, and run down the surface. Can be immediately scrubbed if needed, but recommended to leave for 4-5 minutes to allow dwell-time to soften and release soiling. Flush to finish. Repeat if required.

When diluted at 1:4 with water BOWL PATROL is an excellent heavy-duty shower cleaner and an ideal anti-bacterial spray and wipe product. Great on stainless steel.

GOOD PRACTICE

Under Good Practice Protocol based on accepted international research undiluted product is recommended with liberal application on clean hard surfaces with a minimum contact time of 10 minutes. Undiluted product provides 2500PPM QAC.

BATHROOMS Toilets & Showers

PROPERTIES

APPEARANCE	Viscous Blue Liquid
FRAGRANCE	Fresh Citrus Lime
SPECIFIC GRAVITY	1.04
pH	1.0 (100%)
MICROCID	2500ppm ADBAC (@100% soln)

REORDER

Applicator	BK-BWL1
5 Litres	FK-BOWL05
20 Litres	FK-BOWL20
200 Litres	FK-BOWL200

CHEMICAL SOLUTIONS SUSTAINABILITY POLICY

We are committed to continuous improvement in our environmental performance, and have established a number of goals and initiatives that we continue to implement to achieve this objective. Where possible we always use biodegradable raw materials and all our finished product packaging is reusable or recyclable.

This is only a start, we will be continually strive to better our environmental performance.
